"When you act of OF fear, your fears come true."

...reminiscent of "what probably feel a little uneasy trying to ... Or course you could always stick with the game by limiting yourself to a few easy moves you've seen work for others. Then again you might conclude that since you weren't sure yourself what chess was, you weren't a *real* chess player and were only faking it when you moved the pieces around. You might secretly come to believe that you deserve to lose. In fact, ... even quit playing entirely. If the preceding
